Here is a very small portion of classes that are listed on the training calendar at LA HIDTA Training located at *www.lahidtatraining.org*. To register for the below classes or any other classes, visit the LA HIDTA Training website and click on the class that you want to register for. *To see the next three months of training, click the "next" button on the upper right side. You can also search by counties. At the top of the training page under "Tags", click on the county that you want to look at and it will show only training for that county. Make sure you check the Training Website on a regular basis as classes are added almost daily. Some fill up before an email blast can even go out.*
